

PRIME MINISTER · PREMIER MINISTRE

Message from the Prime Minister of Canada

It is with great pleasure that I send my warmest greetings to the Multicultural Entrepreneurs Business Community.

In a day and age where voices all around us are focused on division, I am proud to live in a country where our diversity is our biggest strength.

And, with businesses being the backbone of our society, the contributions that diverse Canadian entrepreneurs have made – and continue to make every day – to our shared nation, are indeed invaluable.

To the entire team behind the Multicultural Entrepreneurs Business Community, thank you. Your efforts to bring people together, support them in their endeavours, encourage their growth, all while facilitating research and development, truly deserve the utmost praise.

I look forward to working with you, and your community, to ensure that Canadian businesses continue to be the best in the world.
